1.1 Electrical Connection (Please do not fail to fill out!)

This is the form for the electrical mains connection. Main distribution boards (breaker panels) may either be brought or ordered. Schematic diagrams for electrical distribution boards can be found on form 1.3.

We hereby submit a binding order on the basis of the Terms of Participation of TrendSet:

The prices for the electrical mains connection include power consumption and earthing (grounding) of the stand.

<input type="checkbox"/>	Up to 3 kW (only alternating current, no direct current) Including Distribution Board 1			165.00 EUR
<input type="checkbox"/>	Up to 5 kW	<input type="checkbox"/> Distribution Board 4	<input type="checkbox"/> CEE socket	290.00 EUR
<input type="checkbox"/>	Up to 7 kW	<input type="checkbox"/> Distribution Board 4	<input type="checkbox"/> CEE socket	348.00 EUR
<input type="checkbox"/>	Up to 10 kW	<input type="checkbox"/> Distribution Board 4	<input type="checkbox"/> CEE socket	412.00 EUR
<input type="checkbox"/>	Up to 15 kW	<input type="checkbox"/> Distribution Board 4	<input type="checkbox"/> CEE socket	537.00 EUR
<input type="checkbox"/>	From 20 kW	<input type="checkbox"/> CEE 32A socket		619.00 EUR
<input type="checkbox"/>	From 30 kW	<input type="checkbox"/> CEE 63A socket		815.50 EUR
<input type="checkbox"/>	Larger distribution boards	<input type="checkbox"/> Distribution Board 2		additionally 126.80 EUR
	Instead of Distribution Board 4	<input type="checkbox"/> Distribution Board 3		additionally 324.20 EUR

The connections up to 15 kW include 230 V/400 V, 50 Hz; electrical power consumption included.

This electrical mains connection includes the supply line to the stand, but not the main distribution board. The main distribution board (breaker panel) may either be brought or ordered extra. If you bring your own distribution board, you must bring a ground fault circuit interrupter.

Depending on the type or style of stand construction or stand design, one or more connections to the earth/ground wires (earthing/potential equalisation) in accordance with DIN EN VDE 0100 are required.

Please note:

Processing of this order is possible only with a plan or sketch. Please use one of the enclosed stand sketch templates for this. Orders received after the deadline will be charged a processing fee of 85.00 EUR.
